

VVAZEOS
Luxury Rentals

Powerful rides, for power people!

LUXURY CAR RENTAL SERVICES IN SANTORINI

Vazeos Car Rental was established in Santorini in 1998. The company's guiding principles revolve around professionalism, integrity, and reliability, serving customers with respect and courtesy. In 2011, Vazeos upgraded its business, providing chauffeured Luxury Car Rental services, to and from the airport, the port, wineries, museums, beaches and hotels on the island. Moreover, for those who wish to add a luxury touch to their Santorini wedding, Vazeos Luxury Car Rentals has a special wedding car fleet. Last, but not least, the company can arrange for chauffeur driven car rentals throughout Greece, upon request.

VIP LIMOUSINE

VIP LIMOUSINE SERVICES

Vazeos Luxury Car Rentals provides VIP Limo transportation services committed to exceeding customer expectations. The elegant limo exudes a sense of unsurpassed luxury, grace and style, while all company chauffeurs are dedicated professionals who aim to make your experience pleasant and worry-free. No matter what the event –weddings, business trips, celebrity transportation, etc.–, Vazeos Luxury Car Rentals will get everyone to their destination ontime and with class, seeing no limit to customer service and customer loyalty.

Mercedes C-200

Representing the epitome of comfort, safety and refinement, the Mercedes C-200 has sculpted sides, gracefully styled lines, and a luxurious cabin. There is ample space in the heavenly comfortable seats, with plenty of head- and legroom. The car's upmarket feel is reflected in the high-quality materials of its interior, the beautifully designed dash, metal finishes, power seat adjusters, and cutting edge safety equipment.
